

UGA Initiative to Improve Blueberry Production Efficiency and Fruit Quality

Proposed Recipient: University of Georgia's College of Agriculture and Environmental Sciences

Address of Recipient: 101 Conner Hall, Athens, GA 30602

Amount of Request: \$250,000

Explanation of Request

Purpose: New cultivars combined with pre- and post-harvest management practices will increase production efficiency and improve quality of fruit delivered to consumers.

Why it is a good use of Taxpayer Funds: project results/findings have application across the U.S.
